Space:Maker Panel-Line™ Sliding Wardrobe Door System

Space:Maker Panel-Line™

-Features

- Available in an extensive range of modern finishes.
- Contemporary appearance.
- Continuous finger grip on all panels.
- Large 41mm diameter rollers and brackets for quiet operation and ease of adjustment.
- Design Registered anti-jump head guides prevent door panels from jumping off Bottom track.
- Matching infill buffers on grip stiles.
- Foot-friendly, easy-to-clean track.
- Ten year guarantee on frame and components.
- **Space:Maker Panel-Line™** represents a variation of the Australian Design Award winning **Space:Maker Softline™** Sliding Wardrobe Door System.

Modern Contoured Cushioning

Matching infill buffer with grip stile eliminates metal-to-metal contact, giving **Space:Maker Panel-Line™** a smooth, modern contoured appearance.

Low Profile Bottom Track

Space:Maker Panel-Line™ features a foot friendly unobtrusive, low profile bottom track, which is easy to clean. Smart "V" groove design virtually eliminates roller side-play producing a smooth sliding operation.

Exceptional Value

Indulge your imagination and create an absolute premium wardrobe design at a surprisingly affordable price.

Panel Variety

Space:Maker Panel-Line™ is available in an extensive range of contemporary timber veneer, wood-grain, gloss and PVC wrapped finishes, to suit your every design requirement. Plain panels for painting or wallpapering are an alternative for the do-it-yourself enthusiast.

Perfectly Secure Panels

A designed registered head guide with an inbuilt anti-jump feature, ensures a totally secure door panel which cannot jump the track and maintaining a quiet rattle free door operation at all times.

Product Guarantee

Space:Maker Panel-Line™ components and frame carry a 10 year guarantee when used under normal operating conditions.

Safety

Space:Maker Panel-Line™ Sliding Wardrobe Door System is designed to comply with the requirements of Australian Standards AS1288 and/or AS2208.

Whisper Quiet Roller Operation

Large 41mm diameter roller housed in a strong galvanised metal adjustment bracket, ensures ample roller adjustment and whisper quiet operation at all times. Open design and construction enables easy cleaning, reducing the accumulation of dust.

Design Flexibility

Made to suit your individual requirements. **Space:Maker Panel-Line™** wardrobes are suitable for either wall-to-wall, recessed or corner return installations. Constructed from high quality Australian made aluminium extrusions **Space:Maker Panel-Line™** is designed to suit most situations and ceiling heights up to three metres.
